TIMING FOR THE SUMMER CAMP – 7:50 a.m. – 11:30 a.m.(including food break of 20 minutes)

Summer Camp offers one of the most powerful learning environment where a child's social education takes place. Children learn to work together, make choices , take responsibilities, develop creative skills, build relationships and manage conflicts.

The activities done in the camp are important as :-

- They nurture social skills
- Allow students to unplug from technology
- Promote independence and self reliance
- They help the students to discover and explore their hidden talent/ interests.
- Add more fun in life

All these are necessary steps on a child's path to a healthy and productive life.

So let's gear up yet again for a fresh dose of **MASTI AND MAZZAA** with your siblings, family and neighbours.
